

## Supporting STEM Scholarship Criteria, Guidelines & Information

<b>Overview:</b>	<ul style="list-style-type: none"> <li>• A scholarship award of \$1,000 is available for students pursuing fields of study related to science, technology, engineering and math (STEM).</li> <li>• High school seniors may apply</li> <li>• College-level freshmen, sophomores, juniors, and seniors enrolled in a 4-year university may apply</li> <li>• Applicants must have a minimum 3.0 unweighted GPA</li> <li>• Application deadline is July 30, 2017</li> </ul>
<b>Purpose:</b>	The purpose of the Supporting STEM Scholarship from HoshizakilceMaker.com is to support and encourage talented young individuals entering fields pertaining to science, mathematics, technology and engineering.
<b>Background:</b>	<a href="http://HoshizakilceMaker.com">HoshizakilceMaker.com</a> believes filling STEM jobs with talented young professionals is a critical factor in ensuring the long-term success of America's global economy. We offer the Supporting STEM Scholarship to assist and motivate today's youth in pursuing careers within STEM fields.
<b>Requirements:</b>	<ul style="list-style-type: none"> <li>• The applicant must be a college-level student providing certified proof of enrollment in a four-year accredited university or;</li> <li>• The applicant must be a high school senior providing certified proof of enrollment at a four-year accredited university.</li> <li>• Provide transcripts proving a cumulative minimum 3.0 unweighted GPA.</li> <li>• Maintain full-time enrollment of 12 credit hours or more per term.</li> <li>• The applicant must be in a declared major in line with science, technology, engineering, and math (STEM) fields of study.</li> <li>• Demonstrate passion for the STEM field of study, strong moral character, and leadership ability by answering a short questionnaire with a 150 word minimum answer requirement per question. (Longer responses are encouraged)</li> </ul>
<b>Selection Criteria:</b>	The winning recipient of the Supporting STEM Scholarship will be selected based upon demonstration of superior scholastic achievement, strong leadership ability, involvement in the community or workforce, outstanding moral character, and commitment to pursuing a future career within STEM fields.
<b>Guidelines:</b>	Scholarships will be awarded on an annual basis and disbursed in equal payments in August and January. Students must continue to attend classes and maintain no lower than a 3.0 grade-point average (or equivalent). Unofficial transcripts and proof of enrollment are acceptable for the application, but official documents must be provided prior to award disbursement.
<b>Amount:</b>	Each scholarship will be a one-time award of <b>\$1,000</b> to be paid in two equal installments of \$500. Award winners may reapply the following year, but are given no special consideration. The scholarship is awarded annually on a strict individual basis.
<b>Deadline:</b>	July 30, 2017
